### **Presentations/Expert Workshops:**

-2005 Basel (13-14 October), 'International Sustainability Conference' (ISC05), *Strategies for a sustainable society*. Presentation entitled: *Sustainability: from political and moral declarations to legally binding rules. A comparative analysis of three European countries (Switzerland, Germany and Italy)*.

-2006 Brescia (IASCP 2006) 'Building the European Commons: From Open Fields to Open Source'. European Regional Meeting of the International Association for the Study of Common Property (IASCP). Presentation entitled: *Property rights and forest management: Legal constraints for the use of various forest products in two different countries*.

-2008 Basel (21-22th August) International Sustainability Conference 'Creating values for sustainability'. Presentation entitled: *Sustainable Development Law and the role of integration: From international to national law. Natural resources law (water, biodiversity, forests) in the EU, Italy and Switzerland*.

-2009 Bologna, Brainstorming *Bioethics and Biobanks* at the Centro Universitario Euro Mediterraneo di Ronzano (23-24th May 2009), presentation entitled: *Informazioni genetiche e diritto. Quale tutela per l'individuo?*

-2010 Seminario Interdisciplinare 'Produzione e consumo sostenibili: una sfida per lo sviluppo?' organized by Gruppo GRISS, Dipartimento di Scienze dell'Ambiente e del Territorio, Università di Milano-Bicocca, 12 May 2010, Title of the presentation *Lo sviluppo sostenibile e presupposti attuativi nella prospettiva giuridica*.

-2010 Discussant in the Workshop "Dal test genetico alla chirurgia profilattica: Workshop sui Problemi Etico-Giuridici Connessi alla Gestione del Carcinoma Mammario Ereditario", organized by the *Fondazione Europea per la Genetica*, FIRB-Project, 30th June 2010.

-2011 Colloque international *Èthique et Famille*, 17th-18th March 2011, Mairie du 16e arrondissement, Paris, organized by Centre de recherche Sens, Èthique, Sociètè, Université Paris Descartes, CNRS and Fondation Ostad Elahi-ethique et solidarietè humaine reconnue d'utilitè publique. Title of the presentation: *Family and the End-of-Life debate in the Italian legal system*.

-2011 The Losinj Days of Bioethics, Croatian Philosophical Society, Faculty of

Humanities and Social Sciences, Symposium *Integrative Bioethics and new Approach*, 15-18 Maggio 2011, title of the presentation *Determinism and freewill in the age of genetics: Theoretical-legal concerns about predictive genetic tests*.

-2011 (New) *Perspectives in Bioethics*, International Conference, 13th-15th October 2011, Belgrado (Serbia), organized by Institute for Philosophy and Social Theory, University of Belgrade, Center for Ethics, Law and Applied Philosophy, Belgrade, Mount Sinai School of Medicine, New York. Title of the paper: *The End-of-life Debate in Italy: some ethical legal concerns*. [http://instifdt.bg.ac.rs/bioethics\\_video.html](http://instifdt.bg.ac.rs/bioethics_video.html)

-2011 Workshop “Test genetici e biobanche: Problemi bioetici tra diritto e società“, 3rd November 2011, University of Milano Bicocca, organized by Department of economic and legal systems, Professorship of Philosophy of Law A-L, round table on the book S. Salardi, *Test genetici tra determinismo e libertà*, Giappichelli, Torino.

-2012 (13 January) interviewed by a journalist (Altea Gianluigi) for a Book on GMO (genetic modified organisms) in cooperation with the students of Environmental Sciences, University of Insubria, Varese, Italy.

-2012 (14 June) *Le nuove frontiere della genetica, Le analisi del DNA: dagli studi di osservazione e sperimentazione a quelli di manipolazione e predittività*. Conferences in Library ,Biblioteca Tibaldi’, Comune di Milano (Milan). Talk on Science and Law from the genetics’s observatory (*Scienza e diritto dall’osservatorio della genetica*).

-2012 (9-10 November) Presentation of *Il principio di ‘gratuità’ nell’era delle biobanche tra solidarietà e autonomia*, title of the conference ‘Il dono e lo Stato: legame interpersonale e sociale’ organizzato dall’Università LUMSA, Department of law Palermo, Italy.

-2012 (21 November) Presentation *Neonato con prematurità estrema: come comportarsi nelle aree di confine*, at the Hospital ‘G. Salvini’, dal Dipartimento materno infantile, dall’Ufficio di Formazione Permanente, Garbagnate Milanese, Italy.

-2012 (30 November) Presentation *Test genetici tra determinismo e libertà*, conference organized by ,responsabilità sanitaria.it’ and Sezione Dipartimentale di Medicina legale e delle Assicurazioni University degli Studi di Milano, title of the presentation *Gene, Gene delle mie brame...cosa, come e quando chiedere alla genetica predittiva prassi, etica e legge*. <http://hdl.handle.net/10281/46814>

-2013 (19 April) Round Table entitled *Un dialogo galileiano tra i saperi sul tema ,Controllo sui geni: geni fuori controllo?’ Genetica, filosofia, informatica e diritto a confronto sul caso OGM*, title of the presentation *Status giuridico degli OGM in Italia* organized during the open day of the Università dell’Insubria, Varese.

-2013 (28 June) Presentation at the *Medical and Legal Conferences. Continuing Professional Education*, Cernobbio, Lago di Como, director Lorenzo Boccabella, barrister –at-Law, Australia. Title of the presentation *Bioethics in Italy: A Peculiar Approach*.

-2013 (11 October) Presentation at the Conference entitled *L'eredità di Uberto Scarpelli, convegno in onore dello studioso, a vent'anni dalla scomparsa*. Organized by Dipartimento dei Sistemi Giuridici and by Dipartimento delle Scienze Giuridiche Nazionali ed Internazionali, University degli Studi di Milano-Bicocca. Title of the presentation: *La responsabilità nel mondo moderno: eccezione o regola?*

-2013 (19 November) Presentation at the Conference Unesco Chair in Bioethics 9th World Conference, *Bioethics, Medical Ethics & Health Law towards the 21st century*, Napoli, Royal Continental Congress Center, 19-21 November 2013, organized by United Nations Educational, Scientific and Cultural Organization in cooperation with Ethics Committee for Biomedical Activities "Carlo Romano", International Office for Bioethics Research Federico II University of Naples, the European Centre for Bioethics and Quality of Life, Unesco Chair of Bioethics Unit. Title of the presentation *Science and law in the age of genetics*.

-2013 (9 December) Presentation entitled *Biobanking: le risposte del diritto*, in the continuing education process entitled 'Metodo ed Etica della Ricerca Scientifica', second meeting 'Campioni biologici umani e buona pratica della ricerca', organized by the Ethics Committee of the Università degli Studi di Milano-Bicocca.

-2014 (5 March) Presentation entitled *Informed Consent between ethics, law, and medical ethics (Consenso Informato tra etica, diritto e deontologia)*, in the course entitled *Informed Consent (Consenso Informato)*, Hospital Sant'Anna, Como, Italy.

-2014 (18 March) Presentation entitled *Informed Consent (Consenso Informato)*, in the course entitled *Informed Consent (Consenso Informato)*, Hospital Sant'Anna, Cantù, Italy.

-2014 (9-10 May) Presentation entitled *The concept of 'Human Nature': An attempt to approach law from an essentialist perspective*, Panel *Grounding the Concept of Law*, 6th Central and Eastern European Forum of Young Legal, Political and Social Theorists, Faculty of Law, University of Zagreb, Croatia.

- 2014 (29 May) Presentation entitled *Relazione di cura tra etica, diritto e deontologia*, within the educational activities organized by the scientific committee of Associazione Accanto Onlus, Como, Italy.

-2014 (20 October) Presentation entitled *Enhancement sportivo nell'era del post-umano*, at the Workshop entitled *Il doping nello sport, un esempio di potenziamento dell'uomo. Aspetti etici, medici e criminologici*, at the University degli Studi di Milano, Corso di laurea magistrale in Biotecnologie Mediche e Medicina Molecolare.

-2015 (5 March) Presentation entitled 'Etica di cure palliative, direttive anticipate, limitazione dei trattamenti, gestione dei conflitti', in the conference entitled 'Approfondimenti in tema di cure palliative', organizzato dalla Regione Lombardia, ASL Como.

-2015 (11 March) Presentation entitled 'Etica, diritto e deontologia', in the continuing professional education course 'Il consenso informato', organized by the Azienda ospedaliera 'Ospedale Sant'Anna di Como', in Cantù.

-2015 (16 April) Presentation entitled 'L'etica del fine vita di fronte alla morte', in the continuing professional education course, organized by Associazione Accanto Onlus, at the Opera Don Guanella a Como.

-2015 (11 June) Presentation of 'Gli OGM attraverso le lenti dello sviluppo sostenibile: Biosicurezza e Protocollo di Cartagena', at the round table of the conference entitled 'OGM: davvero contro Natura?', organized within the events of EXPO of the Università degli Studi di Milano-Bicocca.

-2015 (29 July) Presentation entitled 'The concept of "Nature" and its Derivatives in the Post-Human Age: A Rational or Emotive Foundation for a Legal Regulation of New Scientific and Technological Advances?', World Congress of the International Association for the Philosophy of Law and Social Philosophy, Luglio 27-31, Georgetown University, Washington D.C., USA.

-2015 (5 October) Presentation entitled 'Gli aspetti etici della relazione di cura, i problemi del fine vita', organized by Accanto Onlus Gli Amici dell'Hospice di San Martino.

-2015 (12 October) Presentation entitled 'Direttive anticipate come problema etico-giuridico', organized by Accanto Onlus Gli Amici dell'Hospice di San Martino.

-2016 (25 January) Presentation of my book „Diritto, discriminazioni e linguaggio. Profili teorico-giuridici“, Giappichelli, Università degli Studi di Milano.

-2016 (13 April) Presentation entitled “Natura umana” e linguaggio giuridico delle discriminazioni, during the “Mercoledì filosofici del Maino”, Collegio Giasone del Maino, Pavia.

- 2016 (6 June) Discussant at *Jurisprudence Symposium*, LUISS Carlo Guidi, Roma.

-2016 (11 July) Presentation entitled „Moral’ technologies and fundamental rights: is there a legal right to ‘moral enhancement’?“ Conference „Designing Moral Technologies: Theoretical, Practical and Legal Issues“, organized by Congressi Stefano Franscini, the Swiss National Science Foundation, the Cogito Foundation e the University Research Priority Program Ethics of the University of Zurich, 10-15 July 2016, Ascona, Switzerland.

-2016 (13 July) Presentation entitled „Bioethics and Biolaw: the Italian way“, in the *Legal Conferences*, organizzate da CPE Continuing Professional Education, Australia, Cernobbio (CO).

-2016 (24 November) Presentation entitled „Data Protection and health databases: between rights of patients and research interests“, Congresso Intermedio SISMEC ,the

development of epidemiological research based on healthcare archives: a look at the future', Pavia, 24-25 November 2016.

-2017 (17 February) Presentation entitled „Advance directives: requirements for an adequate legislative act” Congress title “The final choice: reflections on living will”, organized by ACCANTO onlus, Amici dell’Hospice di San Martino e patrocinato dal Comune di Como, Biblioteca comunale, Como.

-2017 (11 April) Presentation entitled “The race card: does it still play a role?”, Seminar organized within the course of Bioethics at the School of Law, title of the seminar “Ethical-legal considerations on race and discrimination”, University of Milan-Bicocca.

-2017 (20 May) Presentation entitled “Choice at the end of life: living will and its ethical-legal prerequisites”, conference title “The last home. From terminal diagnosis to last choices: setting, care and end of life treatments”, Polo Geriatrico Riabilitativo Milano, SpazioIris, Milan.

- 2017 (14 June) Presentation entitled “A pill to enhance moral behaviour? The legal possibility of moral bioenhancement”, Jurisprudence Symposium, School of Law, University of Milan-Bicocca.

-2017 (21 July) Presentation entitled “The role of ‘moral’ technologies in keeping peace: the case of moral bioenhancement“, al XXVIII World Congress of the International Association for the Philosophy of Law and Social Philosophy (IVR) entitled *Peace based on human rights*, 17-21 July 2017, Lisbon.
