FIRST INSTALLMENT DOWN PAYMENT

- **Total: €156,00** (stamp duty + regional tax)
- **Deadline: September 30 2022***

***N.B.:** Students enrolled in limited access courses must pay this installment by the deadlines indicated in the admission rankings or in the admission notices.

FIRST INSTALLMENT BALANCE PAYMENT AND SECOND INSTALLMENT

Premise: the courses divided by Area are listed in Appendix 1 and the merit requirements in Appendix 2 and 3.

To learn more about the ISEE, read the ISEE Guide for the 2022/2023 academic year, published on the university website on the following link: <https://www.unimib.it/servizi/segreteria/immatricolazione/tasse>

First of all, the **Total University Contribution** must be calculated as indicated in the following table:

Area A courses			
	Merit-based	Merit based with 87% of CFUs	Non-merit-based
ISEE ≤ 25.000,00	0,00	0,00	200,00
25.000,00 < ISEE ≤ 76.000,00*	$\left(\frac{ISEE}{1000}\right)^2 * 0,5937 * 0,87$	$\left(\frac{ISEE}{1000}\right)^2 * 0,5937 * 0,80$	$\left(\frac{ISEE}{1000}\right)^2 * 0,5937$
ISEE > 76.000,00 or no ISEE submitted by the deadline	2.983,23	2.743,20	3.429,00

ISEE ≤ 25.000,00	0,00	0,00	200,00
25.000,00 < ISEE ≤ 76.000,00*	$\left(\frac{ISEE}{1000}\right)^2 * 0,7125 * 0,87$	$\left(\frac{ISEE}{1000}\right)^2 * 0,7125 * 0,80$	$\left(\frac{ISEE}{1000}\right)^2 * 0,7125$
ISEE > 76.000,00 or no ISEE submitted by the deadline	3.580,05	3.292,00	4.115,00

After the calculation of the Total University Contribution:

- **if the Total University Contribution is € 400,00 or less:** only the first installment balance payment is due.
 1. First installment balance payment: 100% of the Total University Contribution
Deadline: January 16 2023**
 2. Second installment: 0,00 Euros (no PagoPA available)
- **if the Total University Contribution is ABOVE € 400,00:** payment in two installments.
 1. First installment balance payment: 30% of the Total University Contribution
Deadline: January 16 2023**
 2. Second installment: 70% of the Total University Contribution
Deadline: May 16 2023

If the student wishes to pay the entire contribution in a single installment, he/she has to send a specific request by email to segr.studenti.tasse@unimib.it

Amounts of less than 5,00 € will not be charged, so no payment slip will be issued in these cases.

****N.B. Students enrolled in the first year who have not yet settled their first installment balance payment by January 31 2023 shall automatically be deregistered. Enrolled students (other than first years) who have not yet settled their first installment balance payment by January 31 2023 will have their academic career frozen, and will not be entitled to any advancement.**

Please note: for students enrolled/registered after January 16 2023, the first installment down payment and the first installment balance payment must be made together.

2 – International students

Definition of international student: student with a non italian citizenship and access qualification achieved abroad.

NB: in case of dual citizenship, one of which is Italian, the Italian citizenship will prevail over the foreign citizenship. Therefore these students cannot have this special taxation and must submit the ISEE (they will be considered NON international students – see point 1 of this guide).

There is a distinction between students who have enrolled in the first year in the academic years up to 2021/2022 and students who enroll in the first year in a.y. 2022/2023.

STUDENTS ENROLLED IN THE FIRST YEAR IN A.Y. 2022/2023

These students must pay a first installment down payment of 156,00 Euros and a FIXED Total University Contribution depending on the country of residence of the student's household and the Contribution Area of the degree course, divided in one or two installments (first balance payment and second installment).

Group of the Countries*	Contribution Area A	Contribution Area B
1	1st inst. down payment: 156,00 € 1st inst. balance payment: 200,00 €	1st inst. down payment: 156,00 € 1st inst. balance payment: 300,00 €

Deadlines:

- First installment down payment: September 30 2022**
- First installment balance payment: January 16 2023
- Second installment: May 16 2023

***N.B.:** Students enrolled in limited access courses must pay this installment by the deadlines indicated in the admission rankings or in the admission notices.

****N.B.:** Students enrolled in the first year who have not yet settled their first installment balance payment by January 31 2023 shall automatically be deregistered. Enrolled students (other than first years) who have not yet settled their first installment balance payment by January 31 2023 will have their academic career frozen, and will not be entitled to any advancement.

STUDENTS ENROLLED IN THE FIRST YEAR UP TO A.Y. 2021/2022

There are two cases:

- International students enrolled in international courses in English: they must pay a first installment down payment of 156,00 Euros and a Total University Contribution for the course years after the first of 600,00 Euros for the courses Marine Sciences, Materials Science, International Medicine & Surgery and 500,00 Euros for the degree courses International Economics e per Applied Experimental Psychological Sciences.

Course	Fees
- Applied Experimental Psychological Sciences - International Economics	1st inst. down payment: 156,00 € 1st inst. balance payment: 150,00 € 2nd installment: 350,00 €
- International Medicine & Surgery - Marine Sciences - Materials Science	1st inst. down payment 156,00 € 1st inst. balance payment: 180,00 € 2nd installment: 420,00 €

It is possible for these students to re-calculate the contribution according to the normal formulas indicated in point 1 of this guide by submitting the documents for the ISEE calculation as indicated in the "ISEE Guide 2022/2023".

- International students enrolled in other degree courses: they must pay the contribution established at point 1 of this guide.

Deadlines:

- First installment down payment: September 30 2022**
- First installment balance payment: January 16 2023
- Second installment: May 16 2023

***N.B.:** Students enrolled in limited access courses must pay this installment by the deadlines indicated in the admission rankings or in the admission notices.

****N.B.:** Students enrolled in the first year who have not yet settled their first installment balance payment by January 31 2023 shall automatically be deregistered. Enrolled students (other than first years) who have not yet settled their first installment balance payment by January 31 2023 will have their academic career frozen, and will not be entitled to any advancement.

3 - Terms of payment

University fees will have to be paid online. The necessary PagoPA payment notices should be printed out or paid directly by the personal webpage of Online Student Registry (Student Services Online) on conclusion of the registration or enrollment renewal procedure.

The registration of payments on the personal webpage takes place automatically within approximately 2 hours after the payment order.

Unless specifically requested, students do not have to deliver the receipts for payment.

Please read the “Guide to payments by PagoPA” on the University website to learn more,:

<https://www.unimib.it/servizi/segreteria-studenti/immatricolazione/tasse>

There are three ways to **pay using PagoPA**:

1. **Print the payment slip** and pay it to any payment service provider of the PagoPA circuit (banks, tabacconists, etc. ...);
2. **Online payment:** using the appropriate link on the personal webpage of Online Student Registry (Student Services Online) students can access the online payment function. This payment method is possible for maximum amounts of 1500,00 Euros;
3. **Personal home banking** (*recommended method*): using the PagoPA or CBILL functions. For banks using the **CBILL system**, the interbank code or **SIA** code is: **1G192**.

Please note: payments made using “method 3” with the University Card and exclusively via Scigno (PopSo internet banking combined with the student’s badge) will be exempt from commission and have very high maximum payment limits.

4 - Delayed payments

Payment may not be made late for registration on a course with an admission test. If these students do not pay by the deadline, they will lose their right to enrollment.

Payment made after the deadline entails an increase in the payment required, according to the following sliding scale of percentages, depending on how long previously ago the deadline expired:

10% of the amount owed for payments up to 60 days late;

15% of the amount owed for payments more than 60 days late.

5 – Payment by installment

An additional installment plan may **only** be established for second installments of amounts exceeding **€700,00** and is allowed only in documented exceptional circumstances, after submitting an appropriate application.

The application form is available on the University website, in the “Modulistica” section. Applications should be presented with all necessary documentation by **April 28 2023** to the Fees and Funding

Front Office, to segr.studenti.tasse@unimib.it, sending the PDF documents and using the campus e-mail account.

Should the application be accepted, the second installment will be further split into 4 payments due by the following dates: May 16, June 16, July 17 and August 16 2023.

Failure to pay the amount corresponding to one of these installments will lead to an immediate freezing of the student’s university career until their administrative position has been restored.

6 – Special cases

6.1. - Part-time Courses

For students who in academic years prior to 2014/2015 e after 2017/2018 chose to enroll in a part-time course, the Total University Contribution is reduced by 50%. The University Contribution will be charged wholly as second installment (there is no charge of the First installment balance payment in January, as explained in the following point for the credits-based enrollment).

6.2. - Credits-based enrollment

Students who in academic years between 2015/2016 and 2017/2018 have enrolled on a credits basis are required to pay 100% of the Regional tax and stamp duty, while the Total University Contribution will be recalculated, proportionally to the CFUs obtained, pursuant to the following formula:

$$\{(\text{Total University Contribution}/60)^{\frac{55}{\text{CFUs chosen}+0.05}}\} \times \text{CFUs chosen}$$

The university contribution as calculated above will be charged wholly as second installment.

In consequence, the taxes installments amount works out as follows:

- First installment **down** payment: €156,00 (regional tax €140,00 + stamp duty €16,00);
- First installment **balance** payment: €0,00
- **Second installment:** is equal to the Total University Contribution as calculated above.

6.3. - Individual Courses

The contribution is **€30,00** for each credit (CFU) or fraction of a credit greater than or equal to 0,5. Payment takes place on registration for individual courses.

7 - Fees and contribution reimbursement (Article 23, “Regolamento in materia di contribuzione studentesca”)

Students are not entitled to any repayment of fees and contributions that they have paid, with the exception of the motives for reimbursement pursuant to the section below.

The first installment down payment and the first installment balance payment is automatically reimbursed, with the exception of stamp duty, in the following cases:

- a. **transfer:** to students who renew their enrollment for the academic year and who submit an application to transfer to another University by the deadline.
- b. **graduation:** to students who renew their enrollment for the academic year 2022/2023 and who graduate by March 31 2023. For students who receive a scholarship (or any other benefits) for the right to study and students who participate in a 150 hours collaboration in the academic year 2022/2023, this reimbursement is not admissible.

The following contributions **are non-reimbursable:**

- a) Payments for taking an admissions test for a selective course;
- b) Payments for enrollment on individual courses;
- c) Payments made for course and university transfers;
- d) Payments for acknowledgement of non-Italian academic qualifications;

This exemption was extended to foreign students (non-Italian citizens, with entitlement qualifications obtained outside Italy) on courses delivered wholly in English.

9 – Tax deductions for university fees and contributions

The so-called Stability Law no. 208, dated December 28th 2015, (Official Journal, December 30th 2015 issue) significantly simplified tax deductions regarding fees and contributions for attending educational courses.

Specifically, article 1, sub-sections 954(b) and 955 of the Stability Law redrafted article 15(1)(e) of the Tax Consolidation Act, envisaging the deduction of “expenses for attending University educational courses at state and non-state universities, for non-state universities in a proportion no higher than that established annually for each university faculty under decree by the Ministry of Education, Universities and Research, to be issued by December 31st, taking into account the average sums of fees and contributions payable to state-run universities.” Students are therefore invited to check the amount that may be deducted in regard to the amount specified annually by the above-mentioned Ministry of Education, Universities and Research decree.

It should be noted that solely the individual who actually incurred the expense is eligible to claim the deduction.

The following link provides access to the MIUR website section on the deductibility of educational expenses: <http://www.miur.gov.it/web/guest/dedurre-le-spese-di-istruzione?inheritRedirect=true>

Article 1, Ministry of the Economy and Finance decree dated January 13th 2016, establishing that:

“1. For the purpose of Tax Authority compilation of income tax declarations, starting with data for 2015, by February 28th each year, state and non-state run universities shall send the Tax Authority electronic data for each student featuring the following data with regard to the previous year:

- a) Expenses for attending University educational courses;
- b) Expenses for attending University specialization courses;
- c) Expenses for attending University advanced courses;
- d) Expenses for attending Masters courses which, owing to their duration and how teaching is structured, may be considered similar to university or specialization courses;
- e) Enrollment expenses for PhD courses.

3. For each student, state and non-state run universities shall provide information on the amount of expenses for the previous tax year, indicating the individuals who incurred the expenses and the reference academic year. University expenses shall be stated net of any reimbursements and contributions. Reimbursements paid out over the year which refer to expenses incurred during preceding years shall be indicated separately.”
