- Regulation Year:**

 Below the details is a table of 'Learning Activities - Year 1' with a key for 'Chosen activities', 'Compulsory activities', and 'Learning activities to choose from'.

Code	Description	Status	ECTS
111R023	INNOVATION MANAGEMENT & ENTREPRENEURSHIP	Attended	3
111R021	LITERATURE REVIEW LAB	Attended	1
111R022	MANAGEMENT THEORIES	Attended	3
111R024	MARKETING STRATEGY AND CONSUMER BEHAVIOR	Attended	1
111R020	QUALITATIVE RESEARCH METHODS	Attended	2
111R018	QUANTITATIVE RESEARCH METHODS 1	Attended	2
111R019	QUANTITATIVE RESEARCH METHODS LAB	Attended	2
111R017	RESEARCH DESIGN	Attended	1

 At the bottom of the page, there are two buttons: 'Edit Study Plan' and 'Print Study Plan'.

Here you will find a summary of the madnatory teaching activities to be attended within the three-year period present in the study plan of your PhD course.

By clicking on *Edit Study Plan* you can select the optional teaching activities to be included in the study plan.

Click *Continue with your Study Plan*

Warnings for completing the Career Plan

Now you can edit your Study Plan. If any error occurs, please verify the validity of the rules. During the process, please avoid going back or forth using your browser keys, as this may cause errors in the procedure. After editing your plan please do not forget to confirm it, as study plans left in draft mode will not be examined and automatically deleted.

[Continue with your Study Plan](#)

Then click on *Next Rules* to access the optional teaching activities to be selected in the plan.

» [Study Plan](#) » [Rule of Choice](#)

Choice of Learning activities:

This page allows you to select the learning activities to be included in your study plan. On this page you can also check your chosen activities. You have to pass the exams of all chosen activities in order to obtain the degree (additional activities are not included).

PLEASE NOTE

The use of the browser keys to go forward or backward in wizard can cause anomalies or errors in filling in the study plan. Keep to the navigation suggested in the page.
