Education

- Aston University** – *Birmingham, UK.* 2017
- **Post Graduate Certificate in Higher Education.**
- La Sapienza University of Rome**– *Rome, Italy*
- **PhD, Cognitive Neuroscience** AA 2008/09
Dissertation: *Fattori visivi nel processo di lettura (Visual factors in reading)*
 - **Experimental Psychology Degree cum laude, 5 years** AA 1999/2000
- Istituto Superiore di Scienze Optometriche**– *Rome, Italy* 1991
- **Optometry, 3 year Diploma**
- Istituto Professionale di Stato "E.De Amicis"** – *Rome Italy.* 1987
- **Dispensing Optician, 5 year Diploma**

Teaching Experience

- Milano Bicocca University,**– *Milan, Italy*
- Optics and Optometry Bachelor Degree
- **Professor of Advanced Optometry (SSS FIS/07)** 2017 to date
 - **Teaching in Lab of Optical Systems (SSS FIS/07)** 2020/2021 to date
 - **Professor of Contact Lenses (SSS FIS/07)** 2022/2023
- "Optometry and Vision Science" International Master Degree
- **Clinical Lecturer in Optometric investigative Techniques I (SSS FIS/07)** 2024/2025
 - **Professor of Visual Ergonomics (SSS FIS/07)** 2024/2004
- University of California Education Abroad Program (Rome campus)**
(Winter Quarter 2019).
- **Lecturer of "Art and the Psychology of Perception" (PSYCH 109 S) ().** Winter Quarter 2019

School of Health and Life Sciences. Aston University– *Birmingham, UK*

BSc Optometry and Vision Sciences.

- Teaching in Lab of Further Investigative Techniques 2015 to 2017
- Teaching in Lab of Basic Investigative Techniques 2014/2015
- Teaching in Summer School 2015 to 2017

Roma TRE University, - Rome, Italy

Optics and Optometry Degree Course

- Contract Professor of Contact Lenses with Lab (SSS FIS/07) 2008 to 2014
- Contract Professor of Visual Optic (SSS FIS/07) 2007-2010

Istituto Benigno Zaccagnini- Bologna, Italy

Optometry School

- Lecturer of Psychophysics 2012 to 2015
- Lecturer of Contact Lenses and Psychology of Perception 2004-2007

Padua University - Padua, Italy

Interfaculty Master of Vision Sciences and Technologies

- External lecturer 2009-2010

Istituto Superiore di Scienze Optometriche- Rome, Italy

- Lecturer of Contact Lenses 1993-2003
- Co-lecturer of General Psychology and Psychology of Perception 1999-2003

Thesis supervisor in the BSc (Hons) in Optics and Optometry of 13, 1, and 10 students at Roma TRE University, Padua University and Milano Bicocca University respectively. Thesis co-supervisor in the BSc (Hons) in Optics and Optometry of 12, and 29 students at Roma TRE University, and Milano Bicocca University respectively.

PhD supervisor of a PhD student at Roma TRE University. (2023-2025)

PhD thesis external examiner (October 2022) School of Optometry and Vision Science, Faculty of Medicine, The University of New South Wales, Sydney, Australia.

Degree of MPhil external examiner (September 2024). Faculty of Biology, Medicine and Health. University of Manchester

Research Experience

Milano Bicocca University, - Milan, Italy

Department of Material Science 2023-2024

Associated Investigator and (Substitute Principal Investigator) "PROGETTI DI RICERCA DI RILEVANTE INTERESSE NAZIONALE – Bando 2022" Titled: Anterior Eye Normative data from new technologies of imaging to improve primary Eye Assistance Services (AENEAS). Principal Investigator Università degli Studi di FIRENZE (Prof. Massimo Gurioli Principal Investigator) and Università degli Studi di MILANO.

School of Health and Life Sciences. Aston University – Birmingham UK

- Marie Curie Fellowship (FP7) 2-year research grant. Project name "Provisione". Subject: Presbyopia correction. 03-2015 – 02-2017
- Research Fellow 03 2017 – 07 2017
- Visiting Research Fellow 08-2017 – to date

SEGI University –Malaysia

- International Research Fellow 09-2024 – to date

IRCCS (Research and Care Institute) Santa Lucia Foundation- Rome, Italy

Neuropsychological Unit

Collaboration in research projects on eye movements and reading.

2000 to date

La Sapienza University of Rome- Rome, Italy

Visual Perception laboratory of Psychological Department

- Collaboration in research projects on the psychophysics of reading

2000 to date

Department of Social and Developmental Psychology

- Collaboration in research projects on attitudes and health-related behavior in the CL field

2010 to date

Refractive Surgery Centre Aiest-Rome, Italy

- Collaboration in research projects on visual performance and refractive surgery.

2010 to date

Laboratory of Vision Science and Optometry, Faculty of Physics,

Adam Mickiewicz University of Poznan, Poland

- Collaboration in research projects on eye movements and cortical activation.

2012

San Camillo-Forlanini Hospital. Lab. di Genetica Medica

- Collaboration in research on Hyperferritinemia Cataract.

2013

Clinical Experience

Private practice - Rome, Italy

1990 to date

General Optical Council (UK) Registration (Optometrist) n.01-30179

2017 to date

Refractive Surgery Centre Aiest -Rome, Italy

2010-2015

**Organization of an optometric service and an optical laboratory in the
Salesian mission of Ijely – Madagascar**

August 1990
and 1991

Volunteer Optometrist

Participation in "Glasses in the schoolbag" Project, organised by the S. Egidio Community of Rome, including over 2000 eye examinations provided for primary school children - *Albania*

1993 to 1995

Educational and research experience in collaboration with industries

Alcon

- Primary Investigator of the Clinical "Attitudes towards the use of Precision1 (ATP study)" carried out by University of Milano Bicocca granted by Alcon grant (IIT#90203571) 2024
- Co-Principal Investigator of the research study "Brain Adaptation to Multifocal Contact Lenses" carried out by University of Milano Bicocca in collaboration with University of Foro Italico (Rome) granted by Alcon Italia Spa 2019

Bausch & Lomb

- Clinical study about the continuous wearing of Pure Vision CLs, 2000
- Scientific supervision in the Italian clinical study on Ultra+ Multifocal for Astigmatism 2021

Ciba Vision

- Speaker in Seminars (Rome, Naples and Vibo Valenzia) on the use of SH CLs "Focus Night and Day" (40 hours) 2002
- Clinical study on the use of SH CLs for daily wear in Italy 2004
- Elaboration of educational materials for the course "How Much Oxygen Does the Cornea Need?" 2005

Cooper Vision

- Speaker in Seminars (Milan, Naples and Rome) "Evolution in soft CLs: towards High oxygen transmissibility and biomimetic CLs". 2005
- Speaker for the educational program BRILLIANT FUTURES. Module titled "Myopia management studies: interpreting the research" 2020

Essilor

- Scientific coordinator of the Educational Master for Optometrist about Myopia progression control, titled MyExpert Master Fit carried out by University of Milano Bicocca in collaboration with Essilor. 2021

Granvision

- Scientific coordinator of the 20-hrs continuous Educational training course for Granvision' dispensing Opticians and Optometrists about Progressive additional lenses. 2021
-

Hoya

- Principal Investigator for the clinical study titled "RCT of HOYA One-day Multifocal Contact Lenses (Illumina). carried out by the Department of Material Science of the University of Milano Bicocca. Granted by Hoya Holdings NV, Amsterdam, The Netherlands 2022/2023
- Principal Investigator in the clinical investigation titled "Stability of the Hoya soft contact lens toric, phase II", carried out by the Department of Material Science of the University of Milano Bicocca. Granted by Hoya Holdings NV, Amsterdam, The Netherlands 2022
- Principal Investigator in the clinical investigation titled "Stability of the Hoya soft contact lens toric", carried out by the Department of Material Science of the University of Milano Bicocca. Granted by Hoya Holdings NV, Amsterdam, The Netherlands 2022
- Co-PI in the clinical investigation titled "Study on the causes of non-adaptation to progressive addition ophthalmic lenses", carried out by the Department of Material Science of the University of Milano Bicocca 2020-2021
- Associate Investigator in the Clinical trial carried out by University of Milano Bicocca named "Assessment of Three Basic Progressive Lens Designs" granted by HOYA Corporation Vision Care 2020-2021
- Associate Investigator in the study carried out by University of Milano Bicocca about induced astigmatism and visual performance funded by HOYA Corporation Vision Care 2018

Nikon Instruments

- Seminar. "Snapshot in contact lens practice: slit lamp photography makes a difference". *Passignano sul Trasimeno.* 2011

Ocular Science

- Clinical Study on Biomedics Evolution CLs 2004.

Technicolor

- Preparation and teaching of the refresher courses regarding the vision of 3D films entitled "Fondamenti del cinema in 3D" (*Essentials of 3D Cinema*) for Technicolor. 2010-2012
- Speaker in refresher courses regarding the Optics modules (physical optics, geometric optics and colour metrics) and Visual Perception modules (vision physiology, psychology of visual perception) Dec 2002–Feb 2003, Oct–Nov 2006, Mar–Apr 2007.

Wesley Jessen

- Clinical study on Fresh Look Toric CLs. 1997-1998
