

## Do you want to participate to admission tests for PhD courses?

As first remember to:

- Register at the university website if you DON'T have access credentials
- Prepare the documentation requested by the call
- Prepare an appropriate electronic ID photo, that is an ID photo (i.e. passport or driving license) in jpeg format with a minimum resolution of 300x400 pixels. Do not use landscapes pictures, pictures taken from afar or from behind, do not use partial photos in which you cannot see the whole face (i.e. scarves, dark glasses, etc.). Do not use group photos, drawings or distorted photos, other people's pictures.

If you are not already a Unimib user follow this procedure:

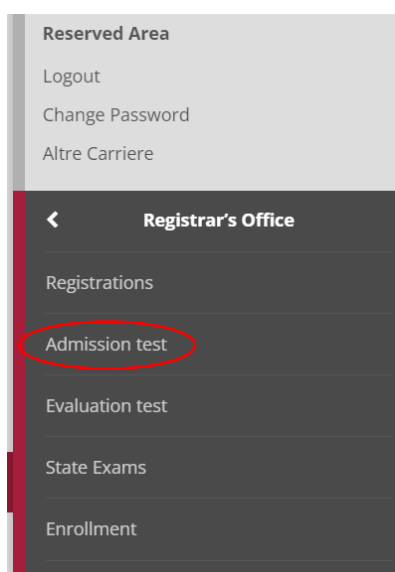

1. Access the link <https://s3w.si.unimib.it/Home.do>
2. Click registration
3. Follow the registration procedure indicated on the site.
4. Upon completion you will be sent a username and password to your personal e-mail address or to the one you entered during registration by which you will be able to access the online secretaries to start the admission process
5. With the regenerate password function you will be able to change the password at your convenience

**Start the process well in advance in order to have it completed by the deadline, Registration to the admission tests will stop automatically on the day and time indicated in the call.**

Connect to this website:

Click Login, enter your personal page and select "Admission test" voice.

## Call to enrolment

It is necessary to fill in the information in order to present an application. Please carefully check that all given information is correct.

### Pause and restart of the application procedure

Periodically the system saves the online application process. In case the application is interrupted before being completed, *normally* it can be **restored** to where it was left off. The filled in data will be automatically saved by the system.

### To modify saved data (before ending the process)

If the saved data has to be modified, it will be necessary to restart the process again, from the beginning. You have to enter the admission section, select the process in stand-by and cancel it. The system allows you to restart the application from the beginning.

### End of the application

When the application is submitted, it will not be possible to modify it through the website.

Call to enrolment
