

PLEASE read carefully before consulting the Course Catalogue!

Unimib has 3 economics departments:

1. Department of Economics Management and Statistics - **DEMS**
2. Department of Business and Law - **DISEADE**
3. Department of Statistics and Quantitative Methods - **DISMEQ**

Each department has its own agreements!

You can check which department you are assigned into your acceptance letter.

Please note that **you can enter in your Learning agreement a maximum of two exams from a Department other than the one you were assigned to.**

In any case, the number of credits to be achieved in a Department other than your own cannot exceed 50% of the total credits entered in the OLA.

If you wish to change Department, please note the deadline to request a change in your acceptance letter. We will proceed to change your Department if our current agreements allow it.

DEMS Department accepts changes of students with at least 120 ETCS acquired and B2 level english for courses taught in english.

Warning!

- Check the syllabus for the pre-requisites for admission to the courses.
- Attendance at master courses is mandatory.
- Undergraduates students, with at least 120 credits acquired, can choose postgraduates courses only with authorization of the course professor.
- Classes of crowded courses are split into two groups with two different lecturers; in the time tables you will find: "Economics -T1" and "Economics -T2". You are not allowed to sit the exam with the other group and lecturer. Join your group according to the initial letter of your surname:
 - A - Lh → group T1 (Eg: Can, Goldner, Cortes Garcia → group T1)
 - Li - Z → group T2 (Eg: Sanchez Cortes, Taube, Neumann → group T2)
