If you are a student with a non-italian citizenship and access qualification achieved abroad and foreign residence, please read point 2 of this guide.

University fees will be divided up to 3 instalments, based on the ISEE and on the merit of single student. Reduction of the university fees are allowed to students that achieve merit goals (see Appendix 2 and 3). The "no-tax area" has been increased to € 28.000,00.

Other reductions are explained in a specific guide on our web site.

Here is the composition of the three instalments.

2nd e 3rd INSTALMENT

<u>Introduction</u>: the courses divided by Area are listed in Appendix 1 and the merit requirements in Appendix 2 e 3

First of all, you must calculate the total contribution as indicated in the following tables:

Area A courses (Appendix 1)	Merit based with 87% of CFUs (Appendix 3)*	Merit-based (Appendix 2)	Non-merit-based	
ISEE \leq 28.000,00	€ 0,00	€ 0,00	€ 200,00

60.078,00 < ISEE ≤ 76.000,00	$\left(\frac{ISEE}{1000}\right)^2 * 0,47496$	\1000/	(1000)

54.840,00 < ISEE ≤ 76.000,00	$\left(\frac{ISEE}{1000}\right)^2 * 0,57$	$(\frac{1}{1000})^{-4}$ 0,019873	(1000)	
ISEE > 76.000,00 or no ISEE submitted by the deadline	€ 3.292,00	€ 3.580,05	€ 4.115,00

2 - Contribution for International Students

Definition of international student: student with a non-italian citizenship and an access qualification achieved abroad and a foreign residence.

NB: in case of multiple citizenship, one of which is Italian, the Italian citizenship will prevail over the foreign citizenship. Therefore, these students cannot have this special contribution and must submit the ISEE (they will be considered NOT-international students – see <u>point 1</u> of this guide).

Attention: Foreign students with residence in Italy must pay contribution as a NON-international student (point 1 of this guide) and they must present the ISEE. If the student is not independent (see <u>ISEE guide</u>, Appendix 1, point 2) and with his/her household partly resident abroad, he/she has to apply for the office calculation of the ISEE (see <u>ISEE Guide</u>, Appendix 2).

These students must pay a first instalment of € 156,00 and a FIXED contribution depending on the country of residence of the student and the Contribution Area of the attended course, divided in one or two instalments (2nd and 3rd instalments).

3 – Special enrolments and simultaneous enrolment in two-degree courses

The contribution is reduced by 50%.	
The reduction applies for a number of years equal to the double of the	
normal duration of the attended course.	
The contribution will be recalculated, proportionally to the CFUs obtained,	
pursuant to the following formula:	
{(contribution/60)^[(55/CFU chosen)^0.05]} x CFU chosen	
The university contribution, as calculated above, will be charged wholly as	
3rd instalment. In consequence, the taxes instalments amount works out as	
follows:	
- 1st instalment: € 156,00	
- 2nd instalment: € 0,00 (no payment slip will be issued);	
- 3rd instalment: 100% of the contribution as calculated above.	
The contribution is €30,00 for each credit (CFU) or fraction of a credit	
greater than or equal to 0,5. Payment takes place on registration for	
individual courses.	
Exempt from paying contribution, relating to the year that includes the	
period of stay abroad for outgoing and incoming students. They must pay	
the 1st instalment (€ 156,00) and the stamps duty for the final qualification.	
Incoming students for international mobility are exempt from paying	
university fees.

University fees must be managed online. The necessary PagoPA payment notices should be printed out or paid directly by the personal webpage of Online Student Registry (Student Services Online) on conclusion of the registration or enrolment or renewal procedure.

The registration of payments on the personal webpage takes place automatically within approximately 2 hours after the payment order.

Unless specifically requested, students do not have to deliver the receipts for payment.

There are three ways to pay using PagoPA:

- 1. **Print the payment slip** and pay it to any payment service provider of the PagoPA circuit (banks, tobacconists, etc. ...);

^{*}N is the number of years expected for the course attended (3-year bachelor's degree N=3, master's degree N=5, or 6-year single-cycle master's degree N=5 or 6 depending of the duration of the course).

General rules:

- the career is the one you currently attend in the a.y. 25/26: in the case of an incoming transfer, the counting of years begins from the moment of enrolment in Bicocca, while in the case of a change of course, the years of the previous course attended in Bicocca before the change of course must also be counted:
- we consider the CFUs registered as "planned" only (exam with the P on your online booklet);
- in the case of CFUs registered with recognition or validation, those acquired from previous careers or for activities not carried out in Bicocca won't be considered;
- Entitled students do not need to apply for a reduction in their contribution as this will automatically be applied by the relevant office based on the student's career data.

Here are some examples:
