

Programme - March 2026

The INVEST Fellow Programme offers a diverse range of competence development opportunities for both academic and administrative staff across INVEST partner universities.

Explore March's webinars below and visit the INVEST website for the latest updates on upcoming trainings and recordings of past sessions.

Webinar: Driving project success with KPIs: from definition to continuous improvement

When: 4th of March, 2026, 11:00-12:00 CET / 12:00-13:00 EET

To whom: Staff members at INVEST partner universities

Registration: <https://enquete.univ-reims.fr/limesurvey/index.php/989227?lang=en>

This session explores the key role of Key Performance Indicators (KPIs) in effective project management. Participants will learn why KPIs matter for tracking progress and aligning objectives, how to define meaningful indicators using the SMART methodology, and how to monitor and interpret performance data over time. The webinar will conclude by showing how the PDCA cycle (Plan-Do-Check-Act) can enhance KPI-based management, helping teams continuously improve processes and results. [Read more](#)

Speaker: Roy Ibrahim, University of Reims Champagne-Ardenne

Webinar: Developmental Psychology and Psychosocial Factors in Adolescence

When: 16th of March 2026, 17:00-18:00 CET / 18:00-19:00 EET

To whom: Faculty, staff and students at INVEST partner universities

Registration: <https://forms.gle/JEMRXCfbNfA66Mjc9>

Developmental Psychology and Psychosocial Factors in Adolescence is a course focused on understanding adolescent development from a biopsychosocial and European perspective. The course integrates scientific evidence with applied perspectives, encouraging critical thinking and intercultural reflection. [Read more](#)

Speaker: Teresa Sánchez-Gutiérrez, University of Córdoba

Programme - March 2026

Webinar: Well-being, Resilience, and Psychological Strategies for the Professional Life of the Future

When: 23rd March 2026, 17:00-18:00 CET / 18:00-19:00 EET

To whom: Faculty, staff and students at INVEST partner universities

Registration: <https://forms.gle/JFMRXCfbNfA66Mjc9>

Wellbeing, Resilience and Psychological Strategies for the Future Professional Life is a course aimed at developing key transversal competences related to mental health, resilience and personal sustainability. The course addresses wellbeing as a core skill for employability, lifelong learning and professional development in international and rapidly changing environments.
