

University fees 2020/2021, second instalment payment

From 14th April 2021 it is possible to **pay the second instalment** for the academic year 2020/2021.

The payments must be made using the PagoPA payment notices, printable directly from the **Payment webpage** in the Online Student Registry webpage section (Student Services Online). The procedure is entirely online, no payment notices will be sent at home.

The following students do **NOT have to pay** the second instalment and for this reason they will not find the PagoPA in the Online Student Registry:

- Ph.D students who are not beneficiary of scholarship;
- students who receive the DS scholarship or the University scholarship;
- students with a disability of 66% or more and students with recognition of disability pursuant to article 3, paragraph 1 or 3, of the law n. 104 on 5 February 1992;
- students who graduate in the extraordinary session in the a.y. 2019/2020 and are enrolled in the a.y. 2020/2021;
- students with the second instalment under 5 euros;
- students with an ISEE value equal or lower than:

Course area	Merit-based students	Non-merit-based students
A	€ 27.828,31	€ 25.956,52
B	€ 25.402,58	€ 24.822,30

There are three ways to **pay using PagoPA**:

1. **Print the notice** and pay it to any payment service provider of the PagoPA circuit (banks, tabacconists, etc. ... Note: it is not possible to pay at the post office);
2. **Pay online**: using the appropriate link on the Online Student Registry webpage, students can access the online payment function that will offer all payment service providers participating in the PagoPA circuit (there are different possible methods, as debiting a current account or payment by credit card);
3. For banks using the CBILL system, the interbank code or SIA code is: 1G192 **CODE: 1G192**.

NB: payments made by University Card and using the internet banking service combined with the student's badge (Scigno) will be exempt from payment commission.

The deadline to pay the second instalment is 14th May 2021

NB: the date of payment made by the bank will prevail, so please do not make the payment in the last hours of 14th May in order to avoid the charge of penalties

Payment made after the deadline entails an increase in the payment required, according to the following sliding scale of percentages, depending on how long previously ago the deadline expired:

- **10% of the amount** owed for payments **from 1 to 60 days late**;
- **15% of the amount** owed for payments **more than 60 days late**.

Payment by instalment

Students can request for an additional instalment plan for second instalments of amounts exceeding €700.00, as explained at the following link:
