

# CURRICULUM VITAE

EUROPEAN FORMAT

## PERSONAL INFORMATION

Name, Surname	Caielli Grazia Maria
Address	Via Sozzago, 6
House number, street name, postcode, city, country	28069 Trecate (Novara) ITALY
Telefono/Telephone	<b>+39 02 28311432</b>
E-mail	<a href="mailto:grazia.caielli@igag.cnr.it">grazia.caielli@igag.cnr.it</a>

## WORK EXPERIENCE

Dates	From june 2019 – today
Name and address of employer	Istituto di Geologia Ambientale e Geoingegneria (IGAG-CNR).– Italian National Research Council - Via Mario Bianco 9 -20131 Milano
Type of business or sector	Research institution
Occupation or position held	Researcher Geophysicist
Main activities and responsibilities	Application of geophysical prospecting techniques to geo-resources (water, geothermal and storage), to seismic-volcanic risk and environment.
Dates	From 16/11/2011 – may 2019
Name and address of employer	Istituto per la Dinamica dei Processi Ambientali – Italian National Research Council Via Mario Bianco 9 -20131 Milano
Type of business or sector	Research institution
Occupation or position held	Researcher Geophysicist
Main activities and responsibilities	Application of geophysical prospecting techniques to geo-resources (water, geothermal and storage), to seismic-volcanic risk and environment.
Dates	From 2018 to 2020
Name and address of employer	University of Milano Bicocca – Geotechnology Departement Piazza della Scienza, 4
Type of business or sector	Education
Occupation or position held	Contract Professor
Main activities and responsibilities	Course of Applied Geophysics
Dates	From 2013 to 2014
Name and address of employer	University of Milano Bicocca – Geotechnology Departement Piazza della Scienza, 4
Type of business or sector	Education
Occupation or position held	Contract Professor
Main activities and responsibilities	Course of Applied Geophysics
Dates (from – to)	From 2012 to 2013
Name and address of employer	University of Milano Bicocca – Geotechnology Departement Piazza della Scienza, 4

Type of business or sector	Education
Occupation or position held	Contract Professor
Main activities and responsibilities	Course of Environmental Geophysics
Dates	From 2011 to 2012
Name and address of employer	Istituto per la Dinamica dei Processi Ambientali – Italian National Research Council Via Mario Bianco 9 -20131 Milano
Type of business or sector	Research institution
Occupation or position held	Research contract
Main activities and responsibilities	Geophysical data processing in support of geothermal zonation
Dates	From 2010 to 2011
Name and address of employer	Istituto per la Dinamica dei Processi Ambientali – Italian National Research Council Via Mario Bianco 9 -20131 Milano
Type of business or sector	Research institution
Occupation or position held	Research contract
Main activities and responsibilities	Acquisition, processing and interpretation of seismic data for the characterization of surface structures
Dates	From 2010 to 2012
Name and address of employer	University of Milano Bicocca – Geotechnology Department Piazza della Scienza, 4
Type of business or sector	Education
Occupation or position held	Contract Professor
Main activities and responsibilities	Applied Geophysics Laboratory
Dates	From 2008 to 2021
Name and address of employer	University of Milano Bicocca – Geotechnology Department Piazza della Scienza, 4
Type of business or sector	Education
Occupation or position held	Contract Professor
Main activities and responsibilities	Geophysical Prospecting Laboratory
Dates	From 2008 to 2010
Name and address of employer	Istituto per la Dinamica dei Processi Ambientali – Italian National Research Council Via Mario Bianco 9 -20131 Milano
Type of business or sector	Research institution
Occupation or position held	Researcher Geophysicist
Main activities and responsibilities	Acquisition, processing and interpretation of geophysical data

## **EDUCATION AND TRAINING**

Dates	1993
Name and type of organisation providing education and training	Milan University, Italy
Principal subjects occupational skills covered	Geological Sciences
Title of qualification awarded	Laurea in Geology

## **RESEARCH ACTIVITIES**

Research sectors	Study, development and application of geophysical with particular attention to procedures for seismic data acquisition, seismological data, geoelectrical and georadar and to the optimization techniques for processing of the acquired data and to the techniques of inversion and integration of geophysical data.
Recent Scientific Activities.	<p>Technical and scientific responsible for the execution of the micro-seismic survey in "ICEIDA ICE 23066-1301NDF ETHIOPIA / 1 geothermal Surface Exploration in Ethiopia Tendaho Alolobeda prject " and in "ICEIDA ICE 23066-1301NDF ETHIOPIA/2 Geothermal Surface Exploration in Aluto-Langano Ethiopia" ELC-Electroconsult contract</p> <p>VIGOR PROJECT for zonation and potential assessment of geothermal low-medium-high enthalpy resources for the Convergence Regions in Southern Italy: re-processing and interpretation of the old seismic reflection data.</p> <p>Interpretation of seismic data for water research in the West and East Borama area – Somaliland in NGO Terre Solidali contract</p> <p>Seismic Microzonations in Urban areas: seismic network and seismic acquisition planning; site transfer function from local earthquake acquisition; local site characterization with seismic refraction, reflection, microtremors, and MASW. Data acquisition, processing and interpretation.</p> <p>IMAGE (European Project Grant Agreement Number 608553) - Integrated Methods for Advanced Geothermal Exploration: seismic modelling.</p> <p>Microzonation studies in the area of 2016 Central Italy earthquake - Agreement of CentroMS e Commissario straordinario del Governo per la ricostruzione sisma 2016: I e II phases. Geophysical acquisitions and Local Seismic Response assessment.</p> <p>UNICEF PO 43248251 research agreement CNR-IDPA and NGO Terre Solidarity - Baidoa water plan - Ground water research: Processing and interpretation of seismic reflection data in the Baidoa area - Somaliland.</p> <p>LOEBSTER Ligurian Ocean Bottom Seismology and Tectonics Research - (coo-partnership GEOMAR-Kiel, IPGP-Paris, ISTerre-Grenoble, GeoAzur-Nice). Sea-Land wide angle seismic data acquisition and processing.</p>
