Elected member by affiliation of “Italian Society of History of Religion” (12/09/2017).

Major collaborations

2014- 2019 Ambrosiana Library of Milan, Italy: I have been nominated Adjunct Doctor of the Ambrosiana Academy for Near East Studies. I collaborated in the cataloging project for enhancement and indexing the sector of oriental books and manuscripts of the Library, in particular Renato Traini’s Arabic Fund. In 2012, before I was appointed, I translated into Arabic the “Statute of Ambrosiana Academy.

2006 - 2014 Centro Ricerche Archeologiche e Scavi di Torino per il Medio Oriente e l’Asia, Turin, Italy: I collaborated in research projects and setting up exhibitions as an expert in Semitic Languages. I also translated into Arabic the exhibition panels for the Iraq Museum, the photography exhibition captions and its publication entitled “Turin- Baghdad. The activity of the Centro Scavi in Mesopotamia: fifty years of collaboration between Italy and Iraq”.

2009 - 2014 I collaborated with Landau Network-Centro Volta (LNCV) and Insubria University, Italy, in some projects aimed to retraining Iraq scientists. In addition to linguistic support as interpreter and translator (Arabic / Italian / English), I helped the participants to solve their logistic and administrative needs during their stay in Italy or in the other countries involved in the projects.
- Workshop “Commodity Identification Training National Course Development (NCD). Project: “International Nonproliferation Export Control Program (INECP)” National Nuclear Security Administration/U.S.A. Department of Energy, Milan, Italy, 29/04 – 01/05/2014.

- Project: “Redirection of Iraqi scientists through capacity building for decommissioning of nuclear facilities, including site and radioactive waste management”, Manchester, U.K., December 2012.
- Project: “Redirection of Iraqi scientists through capacity building for decommissioning of nuclear facilities, including site and radioactive waste management”, Mol, Belgium, June 2012.
- Project: “Program of re-training and reorientation of Iraqi experts in the fields of bio-chem technology for peaceful application”, Milan and Como, Italy, July 2010 and March/April 2011.
- Project: “Electron and Ion Microscopy and Micromanipulation, common principles and advanced methods in applied sciences”, Milan, Italy, September/October 2009.

Organization of international conferences

I am organising with Prof. Vermondo Brugnatelli an international conference about Omani history and culture, entitled “Giornata di Studio su Storia e Cultura dell’Oman”. I invited six professors, two from Oman, Prof. Ehsan Sadiq Allawati (Sultan Qaboos University, Al Khoudh, Muscat) and Prof. Hilal al-Hajri (Al-Wasil Language Institute), and others from notable Italian universities and institutions.

During the event I will give a presentation entitled *al-Ḥalīl b. Aḥmad al-Farāhīdī, un genio dall’Oman*. The conference was scheduled for 12th March 2020 at the Department of Human Sciences for Education, University of Milan - Bicocca, Italy, but it has been postponed to a later date due to the COVID-19 pandemic.

Research expeditions and Academic Training Courses

Participation as epigraphist to the archaeological excavations in Sippar (45 km. South West Baghdad, now Tell Abu Habbah) organised by the Department of Archaeology, Baghdad University, under the patronage of the Iraq Ministry of Higher Education and Scientific Research and supervised by the Iraq archaeological mission. I joined the team for two months in 1999.

The goal of the mission was to continue the excavations already in progress to recover any archaeological finds, including tablets from the Sippar Library.

Teaching Methods Training Course organised by Baghdad University, Iraq (10/07/1999-18/08/1999).

Supervising and mentoring activities

- During my teaching experience, I have supervised many graduate students both at Baghdad University (37 candidates) and at the University of Milan - Bicocca (30 students).
- December 2015 / January 2016: external examiner of Brikha Nasoraia's Ph.D. theses entitled "A Critical Translation and Analysis of the Ancient Secret Mandaean-Nasoraean Illustrated Scroll Diwan Nahrawatha (The Rivers Scroll): A Model for the Heritage of the Art, Literature and Culture of the Middle East, Gulf, and Fertile Crescent". Macquarie University, Sydney, Australia.
- October 2014 / 2018: external tutor of the candidate Haider Obaid for his doctoral programme. Ph.D. theses: "Context and Discourse analysis and pragmatics. The Antonymy an example comparative Semitic study of Creation Verses in three monotheistic religions". Department of Languages, Literatures and Intercultural Studies, University of Florence, Italy.
